

About U.S. University Admission Bootcamp

Singapore's Only Fully Comprehensive Admissions Course

A series of nine classes, the US University Admissions Bootcamp provides uni-bound students with a broad overview of everything they need to create compelling applications to top U.S. universities. Students completing this course will receive critical strategic insights on what admissions officers look for in an applicant, leaving them empowered to independently direct their application process.

<u>Interview Strategies</u> <ul style="list-style-type: none"> ✓ How US universities use Interviews ✓ Common Questions ✓ Response Formulation 	Alexander Nehmzow BA History (Distinction), Yale University Alexander's education at Yale focused on writing-intensive coursework, culminating in a senior thesis, that impressed upon him the importance of communication and critical thinking. Alexander also has a long-standing interest in creative writing, and he hopes to translate his love of writing into helping students with their college applications. He enjoys helping his students reflect on their own strengths, idiosyncrasies, values, and long-term goals, and articulate these in their essays.	Ian Cash BA History & Political Science, Johns Hopkins University MA History, SOAS, University of London While a student at Johns Hopkins University, Ian honed his talents as a writer, graduating with distinction, and also began his involvement with the admissions department. Ian conducted tours, created new admissions programmes, interviewed prospective students and read their applications. He later went on to earn a Masters degree in history where he gained an intimate familiarity with the British system of higher education, and subsequently arrived in Singapore where he has successfully guided many students to acceptance at well-known universities on both sides of the Atlantic.
