ACT

Group Classes & Private Tutoring

IvyPrep, Singapore's highest-rated ACT prep center.

Since its inception, IvyPrep has developed a reputation for consistently producing Singapore's top ACT students every year; hundreds of IvyPrep's students have achieved exceptional ACT scores that place them in the highest 1% of all test-takers worldwide.

Now in its eighth year, IvyPrep offers a suite of ACT prep courses that are highly-rated by students and parents from top high schools across Singapore.

Singapore's leading gateway to Ivy League universities and top scholarships.

University admissions success. A competitive edge for top government scholarships.

IvyPrep is nationally recognized as one of the leading gateways to the Ivy League and top globally-renowned universities. The majority of IvyPrep's alumni have gone on to pursue their studies at top undergraduate institutions, including Harvard, Yale, and Stanford in the U.S., Oxford, Cambridge, and LSE in the U.K., and Yale-NUS College in Singapore.

Many IvyPrep students have also successfully capitalized on their excellent exam performances to secure prestigious scholarships, including those offered by the Singapore Public Service Commission, A*STAR, and the Monetary Authority of Singapore.

Meet the ACT exam.

IvyPrep's new, advanced ACT curriculum is designed to reflect the latest structural changes to the ACT exam, including the recent format change of the ACT Essay section in 2015.

Our team of ACT experts has systematically deconstructed every possible question type and exam pattern that you will encounter on your upcoming ACT exam.

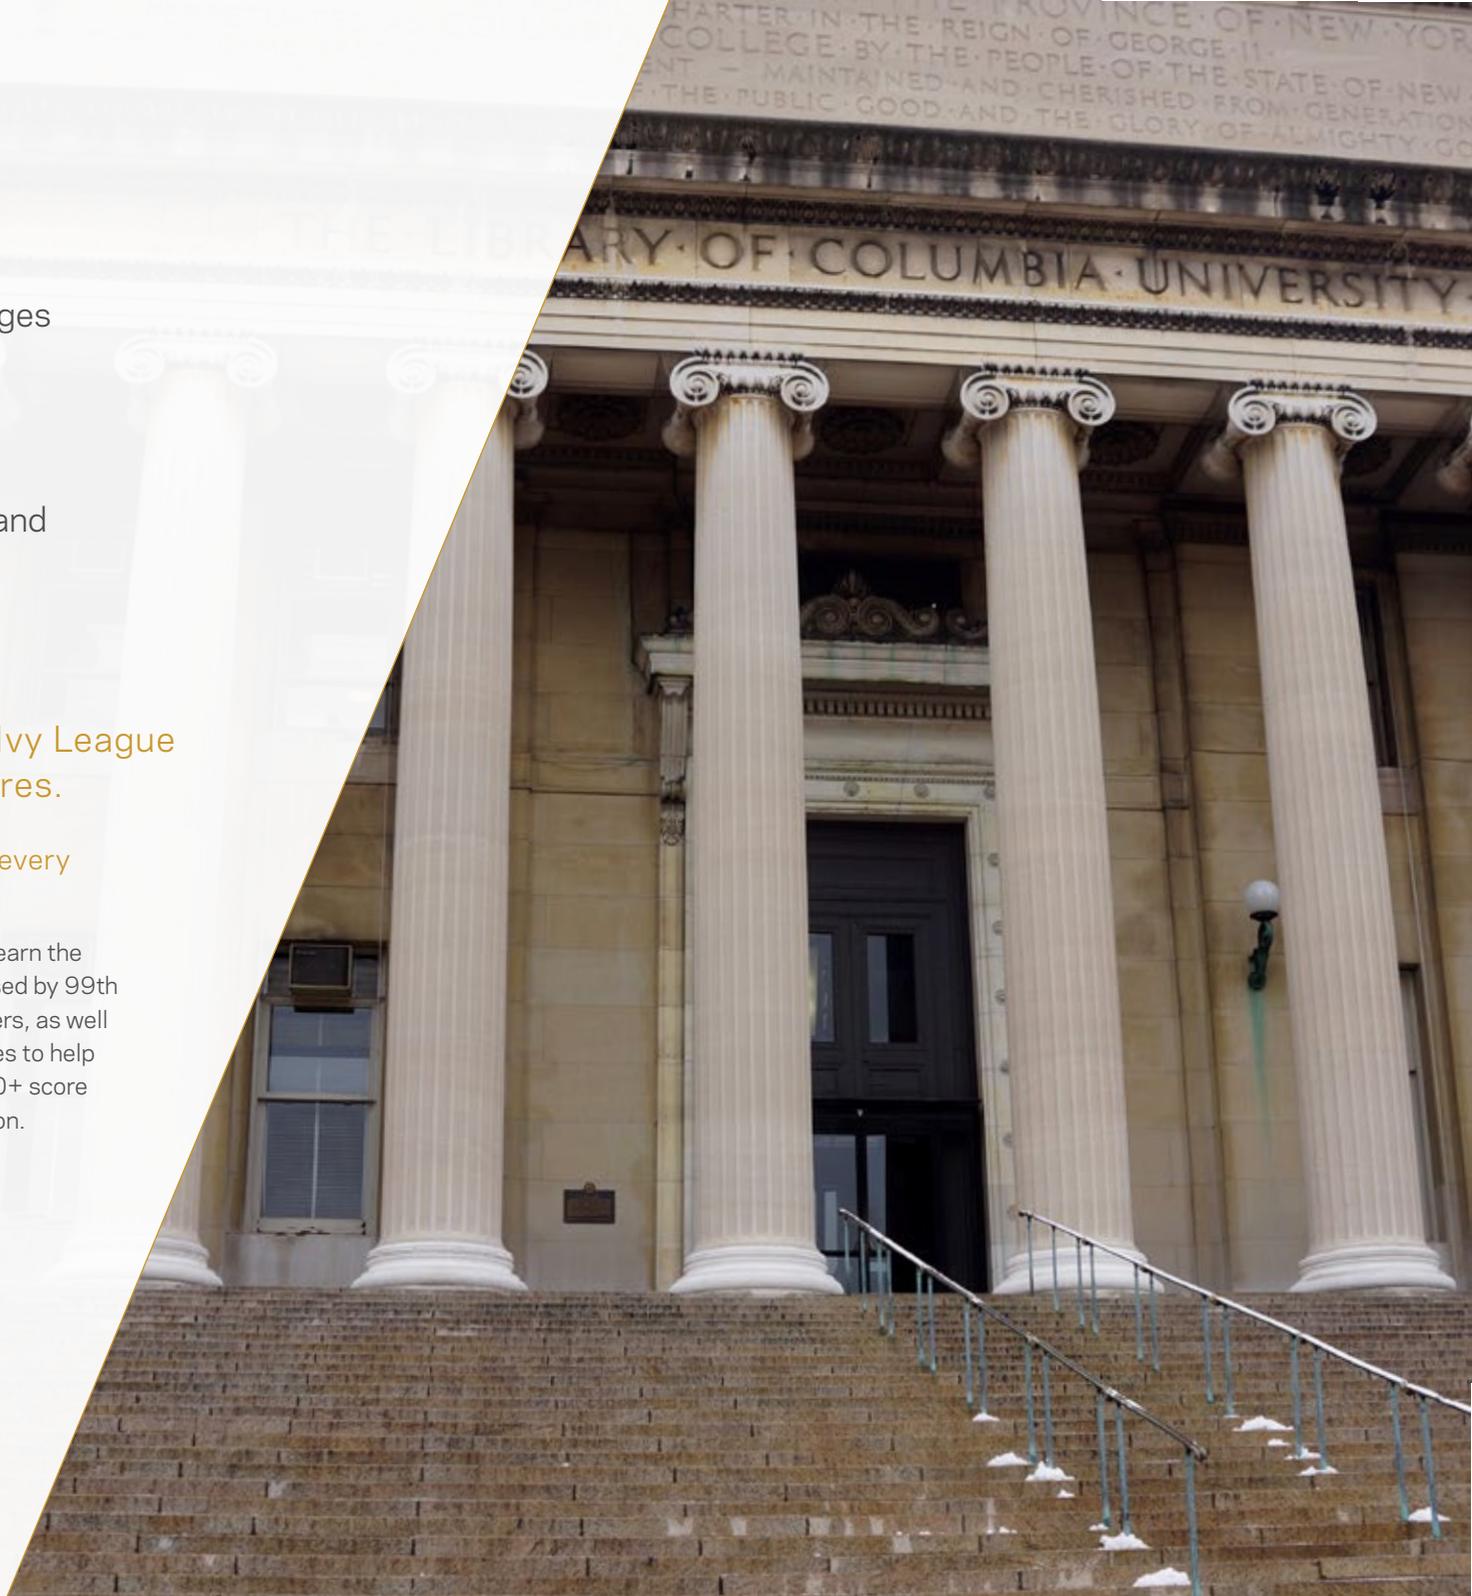

Asia's only ACT course designed by top Ivy League graduates with 99th percentile ACT scores.

Strategies by Asia's very top ACT experts.

Designed by two Singaporean Ivy League graduates with 99th percentile ACT scores, the IvyPrep ACT Masterclass contains proven strategies developed by Asia's top ACT experts. The course also provides the technical know-how to help students achieve their best potential on the ACT exam.

Score a 30+ on every ACT section.

At IvyPrep, you will learn the actual techniques used by 99th percentile ACT scorers, as well as sure-fire strategies to help you push past the 30+ score range for each section.

World-class ACT prep experience.

For high-performing students.

We are unique in a crowded marketplace where there's a plethora of ACT test prep options. That's because we have first-hand knowledge on how to completely beat the ACT - and no one teaches the ACT exam in quite the same way we do.

The only prep center
featuring ACT
specialists
with top 1% scores.

Every IvyPrep instructor is a full-time instructor who has personally achieved a top 1% score on the ACT sections he or she is teaching.

In addition, IvyPrep ACT instructors are specialists on the ACT exam. We spend 100% of our time teaching and researching the ACT exam - no one else understands the ACT exam better than we do.

Proven strategies that
work on genuine ACT
question sets of the
highest-difficulty level.

Our syllabus has evolved from our eight years of experience training top students from Southeast Asia. We demand a level of perfection that cannot be rivalled anywhere else. At IvyPrep, we do not simply teach superficial tricks that only work on the most basic, straight-forward ACT problems. Rather, we teach original, sure-fire strategies that lead to the highest scores on the real ACT.

Designed for ambitious students aiming to
break the 30+ ACT score barrier.

Students who choose the IvyPrep Masterclass do so because they want an advantage over their classmates. We created this ACT prep course to help students challenge for the Ivy League and other top-tier universities. It is Singapore's only ACT course designed to challenge students who are aiming for the top 1% score on the ACT exam - a score which is needed to gain admission into top-tier U.S. universities, including the Ivy League.

Original and advanced curriculum geared towards high performance.

At IvyPrep, you're guaranteed to learn strategies that goes beyond the commonplace tips found in traditional test prep books.

With intelligently-designed strategy guides, textbooks, teaching materials and practice questions, the IvyPrep ACT Masterclass provides the technical know-how to help you achieve your best potential on the ACT.

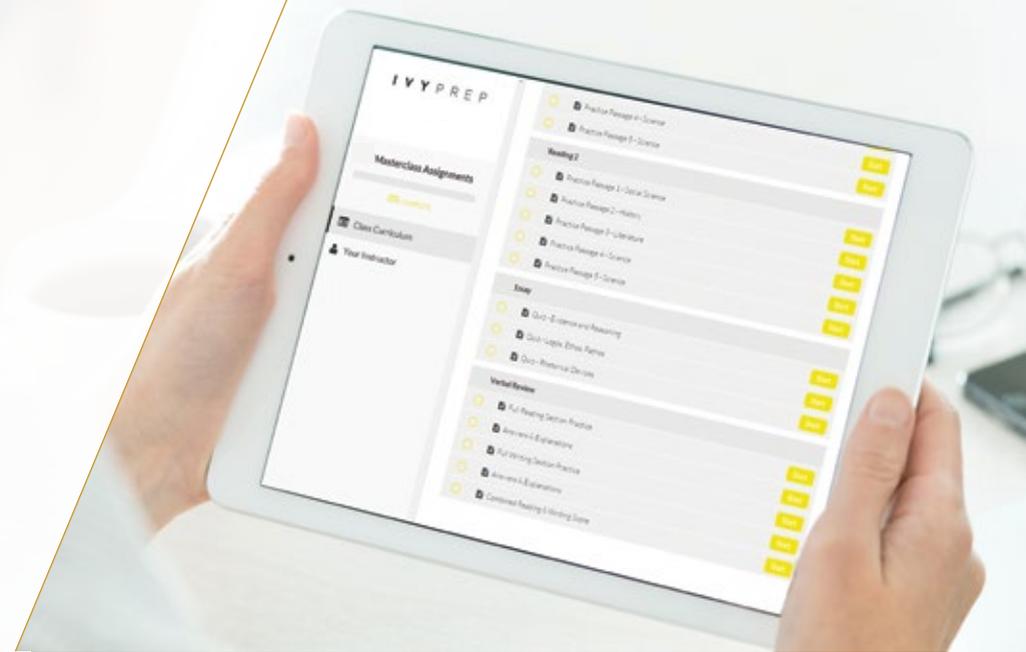

360° complete prep. 100% comprehensive.

The IvyPrep ACT prep course systematically covers every possible concept tested on the ACT exam. Our curriculum is also geared specially to address the areas of the exam that students find most challenging.

Master every question type, at every difficulty level.

At IvyPrep, you will learn important test strategies and problem-solving techniques to beat every question type.

Our instructors guide students to examine and understand the key question patterns on the ACT. With this skill, students will be able to solve every question, regardless of difficulty level.

A comprehensive suite of high-quality practices.

The IvyPrep ACT course provides extensive practice question sets that cover all aspects of the ACT, in the form of homework readings and assignments that you do before and after class to consolidate your learning.

All practice questions you will encounter in our course have gone through rigorous internal testing to help you replicate an actual ACT exam experience.

The most realistic ACT exam practice questions in the world.

The IvyPrep ACT strategy guides contain a collection of high-quality practice questions that are modelled very closely after actual ACT exam questions that you will likely encounter in your upcoming ACT exam.

Perfect confidence on exam day.

Over the years, we have become so successful at predicting future exam question types that, as one IvyPrep student put it immediately after his exam, "it almost felt like I was cheating."

Technology at its very best.

IvyPrep offers official ACT practice exams for students to accurately assess their progress and performance.

Crystal-clear performance analytics of your practice exams, with detailed score breakdown by question type and difficulty level.

Combined with our highly-popular Performance Analytics™ technology software - which accurately determines your exact strong and weak spots - you can always get a crystal-clear picture of your current ability and pinpoint highly specific areas for further improvement.

ACT PRIVATE TUTORING

Private tutoring. Ultimate focus.

The IvyPrep ACT Private Tutoring Program is a one-of-a-kind preparation course targeted at students who are seeking genuine improvements over their existing ACT scores and students seeking to compete confidently for the maximum 36 score on the ACT.

Our instructors are trained to work closely with students on a one-on-one basis, pinpointing their greatest areas for improvement and developing a plan to help build long-term skills.

Personalized plan.

Based on your determined areas of strengths and weaknesses, your IvyPrep instructor will design a unique curriculum that addresses the areas of the exam you find most challenging.

Intensive & serious prep.

Our experienced instructors will guide students to examine and understand the key question patterns in previously-administered ACT exam papers. With this skill, students will be able to solve every question regardless of its difficulty level.

Flexible lesson times.

We are open for tutoring 6 days a week to give our students the flexibility they require, especially across different time zones. Our ACT tutoring sessions will fit nicely into any student's busy schedule - and can easily be booked online over our appointment booking portal.

Online lessons available.

Your IvyPrep Instructor will never be far from you. Students from Shanghai, Jakarta, Bali, Koh Samui, Kuala Lumpur, Dhaka and Melbourne have benefited from our teaching. Lessons can be conducted over the internet with no compromises made on quality, and materials are uploaded online or posted to you beforehand.

Gateway to world-class universities.

"The ACT Masterclass was full of in-depth, real-life tips. I learnt so much about Reading and Writing so I'm super glad I joined. Definitely worth the rigorous work!"

Shreya S., Singapore American School

"I managed to get a 33 for my ACT with a 10 on the Writing on my first try. Thank you so much for your help!"

Jaime C., Anglo-Chinese School (Independent)

33 ACT (Top 1% Globally)

"The Science, English, and Reading classes were quite enjoyable. Math was challenging, but helpful. The instructors all did very well teaching their specific areas of expertise..."

Hannah S., Singapore American School

"Well taught and provided us with good resources for the ACT."

Annabelle H., UWCSEA (East)

"The Masterclass is a valuable learning program that is essential to do before the ACT exam. The instructor exhibited strong knowledge and thoroughly covered plenty during class."

Andrew A., United World College SEA

"Informative and useful! My favourite part of the course was being exposed to practice questions for the ACT."

Valerie L., Raffles Institution (JC)

"Thank you very much for all your help. A score like this would have been difficult for me without you..."

Panun B., United World College SEA
35 ACT (Top 0.5% globally)
