Group Classes & Private Tutoring

IvyPrep, Singapore's highest-rated SAT prep center.

Since its inception, IvyPrep has developed a reputation for consistently producing Singapore's top SAT students every year; hundreds of IvyPrep's students have achieved exceptional SAT scores that place them in the highest 1% of all test-takers worldwide.

Now in its eighth year, IvyPrep offers a suite of SAT prep courses that are highly-rated by students and parents from top high schools across Singapore.

Singapore's leading gateway to Ivy League universities and top scholarships.

University admissions success.

IvyPrep is nationally recognized as one of the leading gateways to the Ivy League and top globally-renowned universities. The majority of IvyPrep's alumni have gone on to pursue their studies at top undergraduate institutions, including Harvard, Yale, and Stanford in the U.S., Oxford, Cambridge, and LSE in the U.K., and Yale-NUS College in Singapore.

A competitive edge for top government scholarships.

Many IvyPrep students have also successfully capitalized on their excellent SAT performances to secure prestigious scholarships, including those offered by the Singapore Public Service Commission, A*STAR, and the Monetary Authority of Singapore.

Meet the New Redesigned SAT Exam.

IvyPrep's new, advanced SAT curriculum is designed to reflect the structural changes to the new Redesigned SAT.

Our team of SAT experts has systematically deconstructed every possible question type and exam pattern that you will encounter on the new Redesigned SAT exam.

Asia's only SAT course designed by top Ivy League graduates with perfect SAT scores.

Strategies by Asia's very top SAT experts.

Designed by two Singaporean Ivy League graduates with perfect SAT scores, the IvyPrep SAT Masterclass contains proven strategies developed by the world's top SAT experts. The course also provides the technical know-how to help students achieve their best potential on the SAT exam.

Score a 750+ on both SAT sections.

At IvyPrep, you will learn the actual techniques used by perfect SAT scorers, as well as sure-fire strategies to help you push past the 750+ score range for both sections.

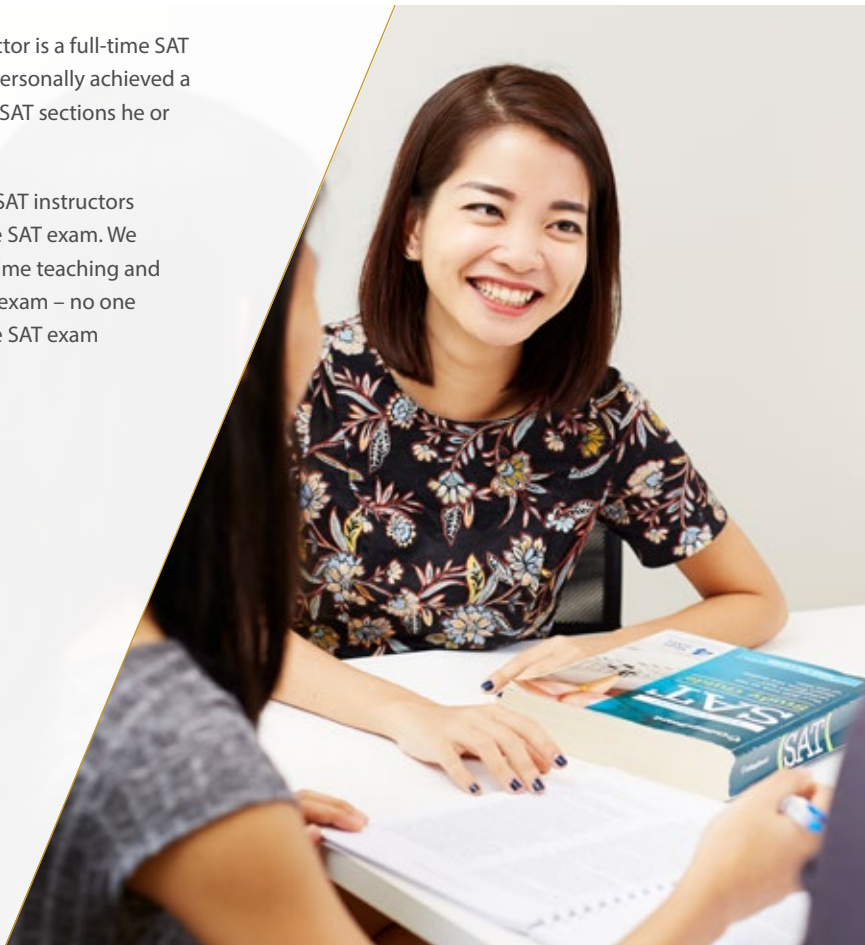

World-class SAT prep experience.

We are unique in a crowded marketplace where there's a plethora of SAT test prep options. That's because we have first-hand knowledge on how to completely beat the SAT – and no one teaches the SAT exam in quite the same way we do.

The only prep center featuring SAT specialists
with top 1% scores.

Every IvyPrep instructor is a full-time SAT instructor who has personally achieved a top 1% score on the SAT sections he or she is teaching.

In addition, IvyPrep SAT instructors are specialists on the SAT exam. We spend 100% of our time teaching and researching the SAT exam – no one else understands the SAT exam better than we do.

Designed for
ambitious students
aiming to break the
1500 score barrier.

Students who choose the IvyPrep Masterclass do so because they want an advantage over their classmates.

We created this SAT prep course to help students challenge for the Ivy League and other top-tier universities. It is Singapore's only SAT course designed to challenge students who are aiming for the top 1% score on the SAT exam – a score which is needed to gain admission into top-tier U.S. universities, including the Ivy League.

Highly advanced
SAT prep curriculum
geared towards
high performance.

At IvyPrep, you're guaranteed to learn strategies that go beyond the commonplace tips found in traditional test prep books.

With intelligently-designed strategy guides, textbooks, teaching materials and practice questions, the IvyPrep SAT Masterclass provides the technical know-how to help you achieve your best potential on the SAT.

360° complete prep. 100% comprehensive.

The IvyPrep SAT prep course systematically covers every possible concept tested on the new Redesigned SAT exam.

Our curriculum is also geared specially to address the areas of the exam that students find most challenging.

Master all question types, at every difficulty level.

At IvyPrep, you will learn important test strategies and problem-solving techniques to beat every question type.

Our instructors guide students to examine and understand the key question patterns on the SAT. With this skill, students will be able to solve every question, regardless of difficulty level.

A comprehensive suite of high-quality practices.

The IvyPrep SAT course provides extensive practice question sets that cover all aspects of the SAT, in the form of homework readings and assignments that you do before and after class to consolidate your learning.

All practice questions you will encounter in our course have gone through rigorous internal testing to help you replicate an actual SAT exam experience.

A perfected syllabus.

Proven strategies that work on genuine SAT question sets of the highest-difficulty level.

Our syllabus has evolved from our eight years of experience training top students from Southeast Asia. We demand a level of perfection that cannot be rivalled anywhere else. At IvyPrep, we do not simply teach superficial tricks that only work on the most basic, straightforward SAT problems. Rather, we teach original, sure-fire strategies that lead to the highest scores on the real SAT.

The most realistic SAT exam practice questions.

The IvyPrep SAT strategy guides contain a collection of high-quality practice questions that are modelled very closely after actual SAT exam questions that you will likely encounter in your upcoming SAT exam.

Perfect confidence on exam day.

Over the years, we have become so successful at predicting future exam question types that, as one IvyPrep student put it immediately after his exam, "it almost felt like I was cheating."

Technology at its very best.

IvyPrep offers official SAT practice papers for students to accurately assess their progress and performance.

Crystal-clear performance analytics of your practice exams, with detailed score breakdown by question type and difficulty level.

Combined with our highly-popular Performance Analytics™ technology software – which accurately determines your exact strong and weak spots – you can always get a crystal-clear picture of your current ability and pinpoint highly specific areas for further improvement.
