6 key steps to a successful application.

A personal timeline to your dream university.

1. University selection

Not sure which university suits you? We will guide you to shortlist universities that match your academic, personal and professional goals.

2. Applicant profiling

We will advise you on the best way to present your candidacy. By accentuating your strengths and targeting any weaknesses, we will help you to tell your story and craft a winning profile.

3. Highlighting your activities and accomplishments

It's more than just listing what you've done. We'll help you prioritize and detail your accomplishments so that they impress the admissions committee.

4. Brainstorming essays

With one-on-one ideation sessions, our consultants will help you identify interesting and inspirational stories from your life experiences. We want to help you leave an indelible mark on the admissions committee.

5. Completing the application

Confused by the UCAS form? Our consultants will walk you through each aspect of the application portal, ensuring that you seize every opportunity you have to make an impression.

6. Securing recommendation letters

Selecting the right individual to write an ideal letter of recommendation requires skill and planning. Our consultants will give you the tools to select and guide the recommenders whose letters will most complement your application.

Where are you headed?

IvyPrep is Singapore's most successful admissions consultancy and is nationally recognized as the leading gateway to the Ivy League, Oxbridge and other top globally-renowned universities.
