

18 June 2020

PHASE 2 OF POST-CIRCUIT BREAKER REOPENING

Dear IvyPrep Students and Parents,

As announced yesterday evening, Phase 2 of the Post-Circuit Breaker Reopening will begin from this Friday. This means that tuition centres like ours can reopen for business.

While we are very excited to welcome you back, we also want to make sure that we do so in a safe and cautious way!

Starting this Friday, 19 June 2020, IvyPrep will reopen its offices. We will be available in person for the following services:

- **Initial Consultations and Enquiries**
- **Diagnostic Tests**
- **University Consultations and Trials**

We will also continue to offer these services online, for anyone who prefers not to come into our office. For those who do choose to visit our centre, we request that you strictly observe the safe distancing and hygiene practices outlined by the government. More information can be found [here](#).

In the interest of ensuring that our learning environment is as safe as possible, we will be thoroughly sanitising our space and training employees on safe teaching practices. To reduce the number of students coming into our centre at any one time, the following services will also remain online until further notice:

- **Masterclasses**
- **Private Tuition and Trials**
- **Practice Tests**

We are invested in providing our students with the highest possible standard of support, so we are in contact with MOH and MOE to work towards bringing back in person classes as soon as possible. Barring any unforeseen circumstances, we look forward to progressively welcoming students back to our centre for classes starting in early July. We will provide more details in the coming weeks.

In the meantime, thank you for your continued patience and support, and we look forward to re-joining you on your academic journey soon. If you require any assistance during this period, we encourage you to reach out to us by phone at 6822 1229 or email at info@ivyprep.com.sg.

Best,

The IvyPrep Team
